**TOOK PARIS GREEN**  
William Duffy of Lebanon told George Nye it was all over.

William Duffy, 25 years of age, tried to commit suicide about 2:30 Monday afternoon by drinking Paris green mixed with water. Duffy lived with George Nye in Lebanon and told Mr. Nye that it was all over. Nye thought at first that he was joking but when he saw that Duffy was really sick he summoned a physician and Duffy was brought to this city and taken care of at St. Joseph's hospital. The cause of his attempt is said to be an unfortunate love affair with a young woman from Lebanon.

### A SPECIAL PURCHASE OF HOUSE DRESSES

This special purchase of House Dresses from the fire sale of Myers & Gross enables us to sell them at just half and in some cases less than half their former prices.

The collection consists of Jappo Crepe, Gingham and Chambray. They are all well made, some are lace trimmed, while others have collar and cuffs of white pique. Every one of the lot is fully worth \$1.00 and \$1.25, but on account of damage caused by fire and water on some of the lot we have marked them all at 50c each while they last.

### VOTE FIVE MILL TAX.

Fourteen Citizens Attend Special City Meeting Which Lasts Five Minutes.

Only one over a baker's dozen of the voters of Willimantic was interested enough to attend the special meeting called for Monday afternoon at 2 o'clock to lay the city tax. Five mills was decided upon, to be due June 1, 1915. The meeting lasted but five minutes.

Mayor Dunn was in the chair, and after the warning had been read by City Clerk A. C. Scripture, Corporation Counsel Charles A. Capen explained that the floating indebtedness of the city was \$17,000 and the amount of the appropriations for this year \$87,350. It had been estimated by the mayor, the clerk and himself that about \$30,000 would be the amount actually expended this year, which with the floating indebtedness made a total of \$97,350 to be raised by tax. The five mill tax would bring \$88,000, with the \$3,500 cash on hand, while a five and one-half mill tax would just clear up all of the bills and floating indebtedness.

The resolution making the tax five mills was then carried, and the meeting adjourned.

### STRUCK BY AUTOMOBILE.

Twelve Year Old Alice Jones Has Her Elbow Fractured.

Alice, the 12 year old daughter of Mr. and Mrs. James Jones, of Mountain street, was knocked down and severely injured by an automobile owned and driven by W. W. Palmer of Chestnut Hill about 8:30 Monday morning near the corner of Main and Bridge streets. She was taken to St. Joseph's hospital, where it was found that her left elbow had been fractured and there were several bruises on her body. It will not be known before this morning whether or not there are any internal injuries.

The young girl, with her brother, was going from her home to school when the accident happened, and they started to cross Bridge street. A pedestrian's wagon hid them from the sight of Mr. Palmer, who drove from Main to Bridge street about that time. The boy went back to the sidewalk, but the girl evidently became confused, as she started back across the road to her brother, and was hit by the fender of

the car and knocked to the ground with considerable force.

Chief P. W. Gerrick of the fire department saw the accident and took the girl to the hospital in his car. Both Mr. Palmer and his wife, who was with him at the time, were greatly distressed over the accident, but the witnesses of the affair stated they were in no way to blame for the occurrence.

### HOME FOR THE AGED

Will Be Erected on Land Purchased on Windham Road.

As a result of a recent purchase of land on Windham road, the home for the aged promises to become an actuality. This has been talked of for some time in this city and given an impetus by the legacy left for that purpose by Hannah T. Card, who died in October of last year.

The property purchased is what is known as the Willimantic Gun club property and consists of two strips of land on the proposed McDermott avenue and Frances street. One strip has a frontage on the avenue of 633 feet and about the same depth. The other, fronting on the avenue 55 feet and on Frances street 142 feet. It is on a hill but a short distance from the trolley and an ideal location for such an institution.

The money with which the land was bought is no part of the Card fund, which is still in settlement in the probate court, but in the result of hard work on the part of the King's Daughters and Sons of this city, who have worked for this project for some time. Plans for the erection of buildings are not yet complete. Under the will of Mrs. Card, the trustees of the home are Herbert R. Chappell, Samuel Chesbro, Rev. William S. Beard, Mrs. Helen Battery Brown and William A. Arnold.
